

# Prune and Peaches Sangria

## Ingredients:

- 1 ea. 750 milliliters bottle cabernet
- 1 ea. 750 milliliters bottle chardonnay
- 6 cups sliced fresh peaches
- 1 cup apple juice
- 30 ea prunes
- 2 cups orange juice
- 1 ea lime
- 1 ea lemon
- Sugar to taste

## Preparation:

In a large blender add the prunes, orange juice, apple juice, and three of the six cups of peaches, blend until there is no more large pieces of prunes, add to a very large mixing bowl along with the two bottles of wine and mix. Meanwhile slice the lime, lemon into thin slices and add to the wine mixture along with the sliced peaches, add sugar to taste and put in your refrigerator overnight. Serve the sangria in a glass with some ice and some of the slice fruit.
